SPONSORSHIP

This project is being sponsored by Mac' Enterprise. The enterprise is large and aware of the need of this project in the society, that's why Mac' Enterprise is fully fit and ready to take its role as the main sponsor of the project.

THE AIMS OF THIS PROJECT IS;

To achieve profits of at least a %150 every month

To boost the agricultural sector in the country

To reduce the rate of importation on agricultural product

To increase the rate of exportation of the country

PROJECT TIMELINE

The project will be completed within 8 months from the day of commencement

GOVERNMENT SUPPORT

The project is being supported by the government seeing as it is in line with the economic diversification aim of the government. It also supports exchange and import reduction. It creates economic opportunities, market access, improved income for farmers and support food security objective of government. The project will benefit from government intervention fund in the agriculture sector. The project will also benefit from the favourable policy of zero duty for import of equipment. The project will contribute largely to employment; The livestock-product processing sector has also been identified as a contributor to employment generation and the reduction of rural depopulation.
