ASSIGNMENT ON: IN EVERY THEATENING SITUATION, THERE IS AN INHERET OPPORTUNITY. IN THIS ERA OF COVID-19 LOCK DOWN, EVALUATE RIGOROUSLY THE PRODUCTION/ SERVICES OPPORTUNITIES IN THIS SITUATION.

Various production and services opportunities in the current covid 19 pandemic.

1. The production of hand sanitizers:

Due to the covid 19 pandemic the production of hand sanitizers has greatly increased as people need to keep their hands clean and free from germs at all times to prevent the disease from entering their, mouths, eyes and nose as people tend to touch their faces.

2. The production of face mask for the nose and mouth:

As a result of the covid 19 pandemic the production of face mask for the nose and mouth, has increased due to the virus ability to move a few meters from another standing close by to prevent inhaling the virus, face mask for the nose and mouth are currently produced in large quantity due to the high demand for them.

### 3. The production of Water:

Water production has increased greatly as people need to keep hydrated and prevent their throats from being dried due to the fact that virus can easily be caught if the throat is dry.

### 4. The services of transportation such as Uba, taxify and pick me up:

Due to the fact that people are not advised to stay in a crowd area or enter transportation that a lot of people are in the use of Uba cars, taxify and pick me up are in high demand as it accommodates only two or three persons which are the driver and two passengers to prevent the spread of the virus Covid-19 and also the implementation of a curfew which everyone wants to adhere to and get their homes before the curfew, the need for transportation services are in high demand.
