3. Ensure availability and sustainable management of water and sanitation for all.
4. Make cities and human settlements inclusive, safe, resilient and sustainable .
5. Promote peaceful and inclusive societies for sustainable development, provide access to justice for all and build effective, accountable and inclusive institutions at all levels .

Strategies of achieving the goals .

1. Ensure healthy lives and promote well-being for all at all ages in the community.

- Ensuring that all men and women, Particularly the poor and the vulnerable in the community, have equal rights to economic resources, as well as access to basic services, ownership and control over land in the community.

- Building the resilience of the poor and those in vulnerable situations and reduce their exposure and vulnerability to climate-related extreme events and other economic, social and environmental shocks and disasters.

2. Ensure inclusive and equitable quality education and promote lifelong learning opportunities for all .

Ensuring that all girls and boys complete free, equitable and quality primary and secondary education in the community leading to relevant and effective learning outcomes for the future of the community.

- Ensuring that all girls and boys have access to quality early childhood development, care and pre- primary education so that they are ready for primary education.

- Ensuring equal access for all women and men to affordable and quality technical, vocational and tertiary education, including university in the community.

3. Ensure availability and sustainable management of water and sanitation for all.

- Support and strengthen the participation of local communities in improving water and sanitation management.

- Achieving universal and equitable access to safe and affordable drinking water for all in the community.

- Allow access to adequate and equitable sanitation and hygiene for all and end open defecation, paying special attention to the needs of women and girls and those in vulnerable situations.

4. Make the community and human settlements inclusive, safe, resilient and sustainable .

- Ensuring access for all to adequate, safe and affordable housing and basic services and upgrade poor in the community.

- Providing access to safe, affordable, accessible and sustainable transport systems for all, improving road safety, notably by expanding public transport , with special attention to the needs of those in vulnerable situations, women, children, persons with disabilities and older persons.

- Enhancing inclusive and sustainable urbanization and capacity for participatory , integrated and sustainable human settlement planning and management in all countries

- Strengthen efforts to protect and safeguard the communities heritage.

5. Promote peaceful and inclusive societies for sustainable development, provide access to justice for all and build effective, accountable and inclusive institutions at all levels .

- Put a stop to abuse, exploitation, trafficking and all forms of violence against and torture of children
- Promote the rule of law in the community and ensure equal access to justice for all
- significantly reduce illicit financial and arms flows, strengthen the recovery and return of stolen assets and combat all forms of organized crime.
