Question

In every threatening situation, there is an inherent opportunity. In this era of COVID-19 Lockdown, evaluate rigorously the production/services opportunities in this situation

Answers

As being said, every disappointments is a bless, COVID-19 has also created more opportunities for some business , so many hand sanitizers are being sold, face masks, prices of food increased in a way, services of home made processing of garri has increased, due to the increase of garri in the market, now most unemployed people are now employed to do a home made processing of garri for most families,
