# ① SMART TEST

## ENUMERATE SUCCESS FACTORS IN PROJECT MANAGEMENT

- Smart people. Without the right team in place, any strategy and plan has the potential of completely falling apart
- Open communication
- Careful risk management
- Strong project closure
- Smart planning. Comprehensive planning sets up a project for success from the start
- Customer satisfaction
- Quality
- Cost. U

2

Managerial economists utilize strategy and energy for realization of organizational goal. In three sentences succinctly discuss your view of this.

- Deciding the price of a product and the quantity of the commodity to be produced
- Analyze data using mathematical models and statistical techniques
- Prepare reports, tables and charts that present research results.
