

OGBONNA VICTOR CHIBUZO

17/ENG04/048

ELECT/ELECT

CLASS TEST OF 21ST MAY 2020

1. Every person involved in the decision making of an engineering project has to consider the weight imposed on the finances by the decision
2. Analysis of the financial outcome would determine the capital to be spent on the project
3. Human resources & Engineering managers also have to consider the effect of the needs of the workers as against the finances of the project. Human Resources play a big role to determine the expenses on the project.
