ENG 384

TEST

- 1) Good time management allows us to accomplish a lot of things in a short period of time. As students, this helps us to focus on our studies, because with good time management and adequate planning, research shows it helps students get higher marks. Time management shapes the student mind into the direction of discipline and sense of duty. During an examination, students are given a limited amount of time to complete the task of questions given to them, with good time management, one would be able to navigate and do the needful before their time runs out.

- 2) Legal environment plays a very important role in determining the success of any business around the world. The government of a country normally imposes taxes among other regulatory measures to help promote economic growth and to protect consumers from exploitation and other illegal factors.

The Nigerian legal system is divided into four distinct ~~sources~~ sources of law to form a legal system.

English law
Common Law
Customary Law
Sharia Law

Under the

Business law falls under English law.

Business legal environment, law changes and how legal aspects affect business. All these legal factors are contained in the legal environment of business.

The laws governing a public company is also different from the laws that govern a private company.

These laws all help to ensure that every business is done in a systematic and legal way.
