

SCENARIOS WHERE FORCE MAJEURE CLAUSE CAN BE APPLICABLE IN MY FIELD OF STUDY

1. Pandemic/Epidemic: Force Majeure can be ensured in pandemics like the COVID 19 pandemic. The movement of people would be restricted so as to prevent the virus from spreading. Force Majeure can be ensured in this case in the form of lockdowns, curfew and the closing down of religious and business buildings
Due to this lockdown, resources may be difficult or may not be available. In some cases it would be illegal to work.
