Question

Write a brief report of your activities during the covid-19 period for the past three months.

Answer

Well since the lockdown I have been involved with some activities like, I have been going online to learn how to improve my coding skills I have also been busy with school work like doing assignment and joining online classes. I also sometimes help my mother in the kitchen, I also help in cleaning and making sure everywhere is looking neat, I am trying to improve my web developing skills by going online to learn more about web development to boost my knowledge I also try to read books to help boost knowledge. I have also been researching on things that can help me improve in the course I study. I also try to keep fit by doing exercises every morning or sometimes I go for a walk or I go for jogging in order to be fit, I also try to improve the skills which I have acquired before the lockdown started.
