IBISO'S BEAUTY EMPIRE

EXECUTIVE SUMMARY

Introduction:Here at ibiso's beauty empire we focus on styling our clients which includes doing their makeup, styling their hair and of course giving them a beautiful outfit when they are attending special occasions like weddings, birthdays etc.

KEY TO SUCCESS:

- Managing and exceeding clients expectations
- Exhibiting a sense of professional showmanship while styling

MISSION:

Our mission is to showcase talent to the world. Also to expand to the extent that we begin to style celebrities when they want to go for award nights or parties and making sure every clients leaves with a smile on their face and also loving the way they look.

COMPANY:

My company has a reasonable number of staff who are really good at what they do. Of course I employ only the best because my clients deserve nothing but the best.

SERVICES:

My empire is in Lagos state, of course when there is growth we will have other branches in other states in Nigeria, we could even go global too.Our services are really amazing and at a very affordable price too.
