1. **Theme Of Rape:** in the book, good morning Sodom, it was seen that the protagonist Keziah is raped, same as her roommate Stella. The book then proceeds to show all she went through as a result of rape and assault. It then reveals that all women that get raped go through mentally, physically and socially stress through carrying the burden, shame and stain of being raped. Keziah felt like her value, dignity and chastity had been taken away from her, she couldn't stand the fact that she let it happen and proceeds to believe that the incident is all her fault. Her father not forgiving her was an icing on the cake, as she proceeds on committing suicide. This portrays what women who get raped go through in the society.
2. **Theme Of Effect Of Cultism:** the book good morning Sodom, emphasizes on the dangers of cultism both to the cultist and those around them. Cultism is a menace that we still continue to encounter in most universities. Student seem to not see the danger in engaging in cult activities or they simply choose to ignore them. This was seen in the character of Demola. Demola joining the cult caused him to rape Keziah and caused his death also. Leading to his parents losing their only child, also leading to Keziah carrying a child when she wanted to be in school.
3. **Theme Of Negative Peer Pressure:** the book good morning Sodom portrays how easily boys and girls in the society can be influenced negatively and positively. Though his parents were rich and provided everything he needed, that is not the only duty of parents. They neglected the other roles they were supposed to play in his life. They never bothered to check up on him, they never sat him

down to know how he was faring, they would just give him whatever he asked for not caring what it was for. This led to his downfall and eventually his death. This shows that parents should not only provide for their children, they should also show care and teach them good morals and create time for deep conversations.

5. Theme Of Ignorance: good morning Sodom portrays something most girls and boys that leave the protection of their parents and come to the university fall prey to. Due to the ignorance of these teens they fail to know what to do when certain things that constitute as a threat to them happen.
