Despite Mr. and Mrs Richard praising him as a kind doctor he still signified he is just doing his job. He was happy for Keziah delivery but wanted to put her under surveillance for 2 days which he then released.

3. What are the points of divergences between the published and the film version of Good Morning, Sodom.

In the movie when keziah was absent from school Demola after the ENG 205 class sits behind Ovie and Bunmi (Keziah's friends) to enquire about her whereabouts but in the book it was as they were leaving class he approached them and asks to speak with Ovie.

Another thing that was different is that in the movie after Stella's first drowning attempt she was drying her clothes when Emmanuella came to meet her to tell her that God still loves her while in the book she was having a dream in her room when Emmanuella's knock on her door woke her up.

Also in the movie Demola was already a member in the cult we weren't shown his initiation while in the book we were shown how he was initiated into the cult.

In the movie the pregnancy letter was just on the table when Keziah's father told her to open it while in the book it was in a book on the table.

In the movie the Engineer (Demola's father) stated that his wife was dead when he went to make amends with Keziah and her parents while in the book Mrs Diran (Demola's mother) is still alive and follows her husband to keziah and her Parents house to make amends.
