1. Forgiveness: In a
psychological sense, is the
intentional and voluntary
process by which one who
may initially feel victimized
or wronged goes through a
change in feelings and

attitude regarding a given offenders. Just like k. k confessing is sins to Demola's parents in the prison saying that he was the one behind Demola's death and many more, like introducing him into drugs e. t. c.

2. Law and Order: This is a situation whereby the laws of the country, community, schools, e. t. c are being obeyed, when the police or army are used to make certain of complete breakdown in law and orders. Just like Mayflower University, had it be they are not having law and order, to take decisions on how to handle the problems they are facing in the campus, by the student disciplinary

committee (SDC) to give the cult groups expulsion on the offences they made. Many problems would have occurred in the campus.

3. Peer pressure: This is when or the acts of some bad influence, influences others to change their attitudes, values, or behaviors to conform the group norms. A group or individuals may be encouraged and want to follow their peers by changing their attitudes. Just like Demola was being influenced by k. k and other members of the red shadows confraternity to join the cult. And k. k also influences Demola in drugs.

4. Caring: This means that the act of displaying

kindness and concerns for others. It also the work or practice of looking after those unable to care for themselves. Just like Mr and Mrs diran did not even care about Demola when he was in school. They did not even look after him in school, they did not even ask was he doing, how was is studies and all that.

5. Discipline: This refers to rule following behavior, to regulate, order, control and authority. It is also referto punishment. Discipline is used in authority to encourage habits, routines, and automatic mechanisms such as blind obedience. Just like k. k and his group were disciplined in the court of law.

Self-discipline involves the practices of self-restraint, controlling one's emotions, and ignoring impulse. Just like Keziah has discipline but it was not enough

2. ATTEMPT DETAILED CHARACTER ANALYSES OF ANY THREE CHARACTERS IN SOLOMON'S GOOD MORNING, SODOM.

1. Keziah: She was the chief character, she is a 200 level student of Mayflower University. Keziah starts out as a disciplined and focused student, but not focused and disciplined enough, she is a student who studies a lot and make something

worthwhile out of her life, she does not want distraction from anyone, but late falls victim of negative peer pressure, Ovie and Bunmi, Keziah's course mates, bring negative pressure to bear on her as they lead her into demola's trap. Keziah becomes pregnant, her education stopped. Later faces her parents query in her home, But later everything went good, she gave birth to her child and also continues her education in another institutions.

2. Demola: He is also a chief character in the play good morning Sodom by Solomon edebor, he is a 200level student in the Mayflower University, he is a guy that

also want a better life, but the devils did not allow that to happen, after he entered the university his parent never said to him that how was his studies and all that, and then that was all his friends K.K and Bentol took over his parent space in his life, and then they influence him to join their cult group named red shadow, and also teaches him how to take drugs later then he found Keziah but Keziah never gives him a space in her life not until ovie and bunmi brings negative pressure to bear on her, Demola drugged Keziah to fall asleep so that he can have sex with her, but later on Demola died by going on operation in their cult group.

3. Members of Red Shadow Confraternity: NkangaNwoko (a. k. a k. k), Usman Yibo (a. k. a Bentol), Onoja Edmund(a. k. a jumo), and others are the members of the cult group including SebiotimoPhilips (a. k. a spark) the cult leader. They were the one influence Demola to join the group and also partake drug like cocaine tobacco e. t. c. And then they went on an operation where demola was being shoot by his friend k. k and died suddenly. The next day they were caught and arrested, they were charged to court, some were give life imprisonment and other were given two years imprisonment with a fine of 100,000 naira. That was

were k. k confessed to Demola's parent about all that happens.

3. What are the main points of divergence between the published and the film version of GOOD MORNING SODOM

- The cult scene demola isn't part of the newly inculcated members

 - The DPO isn't a female

- The place Keziah helping out her mom in the kitchen isn't placed

- The scene of mrs Richards consoling Keziah isn't in the book

- In the movie demola's mother isn't dead
